

TAMIKO L. KENDRICK, MBA

*The beauty of the world lies in the differences of its people –
author unknown*

Tamiko L. Kendrick, Director of Diversity for SHRMs Indiana State Council and Manager of Diversity and Employee Communications at Citizens Energy Group. Tamiko has 25 plus years of experience as a human resources and diversity leader and is a certified talent management facilitator.

At Citizens, Tamiko leads a national award-winning Diversity and Inclusion Team as well as the Employee Communications Team that supports the organization's strategic goals and objectives, corporate mission, vision and values. She also coordinates the forums for Leadership to share corporate-wide initiatives.

Tamiko is past President of the Diversity Roundtable of Central Indiana and is currently an active member of the Association of Employee Resource Groups and Diversity Councils, Indy SHRM Diversity Committee and Women's Fund Community Engagement Committee.

Tamiko's diversity, inclusion and community work has been spotlighted on WFYI's No Limits radio, Fox 59 and WHMB TV's Full Circle program programs that promote hiring veterans and people with disabilities as well as partnerships with universities and high schools to invest in the next generation of our workforce.

Tamiko earned her Bachelor of Science degree in Business and Organizational Management from Oakland City University with a minor in Human Resource Management and pursuing an MBA at Anderson University. She also studied Spanish abroad at Universidad de Univac Cuernavaca, Morelos, Mexico. Her values and diverse background provide a strong foundation that will continue to make a positive impact in her personal life, in the workplace and in the community at large.
